- 3-year limited warranty

**WATER**  
**FRIENDLY SOLUTIONS**

**Standard depth top 13.5”**  
**Extra deep top 19.875”**

Refrigerator is Energy Star rated

# Odyssey Combination Water Cooler plus Refrigerator

## Technical Data & Specifications

**Dimensions: W 24.5" x D 13.5" x H 37.5"**

**Net Weight (approx.): 90 lbs.**

**Cabinet:** Stainless steel front with removable metal side panels. Holes are pre-drilled on cabinet side for cup dispenser.

**Cold Water Refrigeration Unit:** Convection cooled condenser. Spring mounted, hermetically sealed compressor with automatic overload protector.

**Cold Water Thermostat:** Temperature is controlled by an adjustable thermostat with "Off" position that is easily accessible on the front display.

**Cold Water Reservoir:** Non-Removable 300 series stainless steel. Copper refrigerant coil. Encased in molded polyurethane insulation.

**Cold Water Capacity:** 1.4 gallons of 50°F water per hour (30 x 6 oz cups).

**Hot Water Tank:** 300 series stainless steel with 500 watt element.

**Hot Water Capacity:** 45 x 6 oz cups of piping hot water per hour. 1 1/2 quart storage tank.

**Hot Water Thermostat:** Adjustable thermostat with safety limiter. Located on front display.

**Hot Water Safety Faucet:** Durable polypropylene self closing two-step faucet is easy for adults to use, but helps to protect small children.

**Drip Receptor:** Drip tray lifts out for easy removal. Molded for durability, dishwasher safe.

**Green Filter System:** 2-stage filter system with replaceable cartridge inserts avoids throwing away cartridge housings. Stage 1 sediment filters dirt and dust particles. Stage 2 reduces chlorine, tastes, odors, and lead.

Specifications are subject to change without notice.
