Atlantis Series Technical Data & Specifications

Dimensions:
W 13" x D 12 13/16" x H 38 11/16"
Net Weight (approx.): 33 lbs.

Cabinet: The stylish, one-piece, bright white or black polyethylene cabinet hides scratches, finger-prints and won't dent or rust. Holes are pre-drilled on cabinet side for installation of cup dispenser.

Cold Water Refrigeration Unit: Convection cooled condenser. Internally spring mounted, hermetically sealed compressor with automatic overload protector. No lubrication needed. Refrigerant is controlled accurately by a capillary tube.

Cold Water Thermostat: Temperature is controlled by an adjustable thermostat with "Off" position that is easily accessible on the rear of the unit.

Cold Water Reservoir: Type 300 series stainless steel. External copper refrigerant coil. Encased in pre-fitted molded plastic foam insulation.

Hot Water Tank: The 500 watt heating element provides fast heating performance. The hot tank is type 300 series stainless steel for durability.

Hot Water Capacity: 45 x 6 oz cups of piping hot water per hour. 1 1/2 quart storage tank.

Hot Water Thermostat: Fixed, calibrated thermostat with safety limiter.

Hot Water Safety Faucet: Self closing faucet requires a two-step action that is easy for adults to use, but helps to protect small children. Faucets are made of durable polypropylene.

Cold Water Capacity Table			
Room Temp	Water Temp	Gallons per hour of 50°F Water	# of 3oz cups per hour
70°F	70°F	1.4	59
80°F	80°F	1.0	42
90°F	90°F	0.6	25
100°F	100°F	0.4	17

Drip Receptor: Drip tray lifts out for easy removal. Molded for durability, dishwasher safe.

Electrical: 115 volts, 60 Hertz. Water cooler compressor 1/20 hp. Three wire service cord and polarized plug furnished.

Warranty: (Within the Continental Limits of the United States and Canada) Limited three year warranty. Three years on the sealed refrigeration system and most component parts. Detailed warranty certificate enclosed with each water cooler; sample copy available upon request.

Components in this water cooler are lead free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model Listed by Underwriter's Laboratories to U.S. and Canadian Standards.

Specifications are subject to change without notice. Bottle not included with cooler.
