Mirage specifications

Stylish contemporary design fits well in kitchen and break room decors.

Dual Dispense option lets you use water bottles or plumb directly to a water line

Dimensions: W 12.25” x D 13" x H 41"

Dispense Height: 8.5"

Approximate Net Weight: 37 lbs.

Cabinet: High-impact polymer on top, base and front panel.

Cold Water Refrigeration Unit: Convection cooled condenser. Internally spring mounted, hermetically sealed compressor with automatic overload protector. No lubrication needed. Refrigerant is accurately controlled by a capillary tube.

Cold Water Reservoir: Type 300 series stainless steel. External copper refrigerant coil. Encased in pre-fitted molded plastic foam insulation.

One-Piece Hot Water Tank: 500 watt heating element. One piece tank is easy to replace or service without breaking soldered refrigeration connections. The hot tank is type 300 series stainless steel.

Hot Water Capacity: 45 x 6oz. cups of piping hot water per hour. 1½ quart storage tank.

Hot Water Safety Faucet: Self-closing activation requires a two-step action that’s easy for adults to use, but protects small children.

Drip Receptor: Durable drip tray lifts out for easy removal and is dishwasher safe.

Electrical: 115 volts, 60 Hertz. Water cooler compressor 1/20 hp. Three wire service cord and polarized plug furnished.

Lead-Free: Components in this water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model Listed by Underwriter’s Laboratories to U.S. and Canadian Standards.

Optional Water Filtration: Filters reduce sediments, chlorine, bad tastes and odors from water. Filters are easy to access for simple filter changes.

Warranty: Limited 3 year warranty *(within the Continental Limits of the United States and Canada)*. Three years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each water cooler; sample copy available upon request.
