

We Know Water.

**TIRED OF LAYING ON
THE FLOOR TO CHANGE
A FILTER?**

**TIRED OF SOMETHING THAT SHOULD TAKE
TWO MINUTES TAKING TWENTY?**

EXCLUSIVE TILT 'N TETHER FEATURE FROM OASIS

ACCESSIBILITY

Easy access to filter with just two screws to open bottle filler

CONVENIENCE

One screwdriver needed - keeping it simple on your toolbox

EFFICIENT

Filter replacement and/or maintenance can be performed in under two minutes

Only OASIS can deliver

- Painless maintenance with large opening in the bottle filler, prevention of cuts/bruises on hands
- Fast access to bottle filler programming, main controls, and hands-free troubleshooting
- Easy on the customer with functional features like the integrated bottle counter and filter status
- Easy on the plumber with OASIS Tilt 'N Tether for hands-free filter changes without frustration

What's Your Time Worth?

Do the math: An estimated 15 minutes saved per every filter change x labor = \$ SAVINGS!
